BARR DOLLAR BILLS ARE READILY AVAILABLE

The appointment of Joseph W. Barr as Treasury Secretary on December 21, 1968, caused immediate speculation on the possibility of his name appearing on U.S. currency issues. As Barr was only to serve the final month of the Johnson Administration, it was thought that any notes bearing his signature would obviously constitute a very limited issue. His name did appear and values of the notes went sky-high.

The \$1 Federal Reserve Notes with series date 1963-B, bearing his signature, were issued. These were made for five of the twelve Federal Reserve districts, where additional supplies of \$1 notes were needed. No other denominations were printed with his signature.

In spite of intense public interest and numismatic speculation caused by this brief term of office, actual production of Barr notes continued well beyond the end of January 1969, and they are now easily available. Of the five issuing districts, New York and San Francisco each released over 100 million notes, Richmond and Chicago each required over 90 million and Kansas City issued almost 45 million. Star or replacement notes were made available for all except the Kansas City district. They were released with the early issue of the new Series 1969 notes. A total of 12,160,000 "Barr-stars" were made; this is an inclusive figure for all four districts according to "A Guide Book of United States Currency" by Neil Shafer.

NATIONAL MEDALS

The Director of the Mint has announced a price increase in the national medals produced at the Mint.

Because of the variety of medals there are several changes. As an example, the price of the official bronze 3" Presidential medal has been raised from \$3.00 to \$5.00.

The price of the bronze Army, Navy and miscellaneous series of medals has been increased, the first time since 1952, and the first increase in the Presidential, Secretaries of the Treasury and Directors of the Mint series since July of 1960.

The bronze national medals are available for purchase by the public through over-the-

counter sales and through the mail order service at the United States Mint, Philadelphia, Pa. 19106, Attention Numismatic Service.

Remittances in the form of a U.S. money order, personal check or bank cashier's check must accompany all orders and should be made payable to the Superintendent, United States Mint, Philadelphia. All sales are final and medals may not be returned for exchange or refund.

The new price list and mail order forms are available, by mail and over the counter, at the Philadelphia Mint.

PAPER MONEY

Israel — has issued a new IL. 10 banknote bearing a portrait of Israel's foremost poet Chaim Naham Bialik. The new note will gradually replace the present IL. 10 note which will be withdrawn from circulation as the notes wear out.

The new note is one centimeter longer and a quarter of a centimeter narrower than the existing note. It has a special plastic coating given to the surface to insure a longer life than the former issue. Its dominant color is ivory-light brown. © 1971, WESTERN PUBLISHING COMPANY, INC.
